Aanika received approval from the Hindu Community Center (HCC) board to establish a Youth Seva Sangham (YSS) at the permanent location of the Shiva Vishnu Temple in January 2022.

1. Served as technology experts to the HCC website. Built out the HCC social presence and online brand!
2. Approved Troop 682 to create seating benches and shoe racks
3. Help establish 3 new classes which focus on teaching Hindu culture
4. Promoted and recruited volunteers for HCC and YSS to help build our community!

Aanika attends Canyon Crest Academy. She became influenced by her grandparents, who have been heavily involved in making a difference in their community. The YSS organization allows her to connect with her culture, make new friends, and do her part to make a positive difference in the world.

In her spare time she loves to play with her dog, go rock climbing, and read.

Eagle Project

Aug - Dec 2022

As a part of the Eagle project, Troop 682 led by Anand Nair helped the Shiva Vishnu temple by building shoe racks to tidy up the entrance for to the temple and benches for visitors to relax and meditate. They raised around \$1000 which covered all the expenses. This helped the troops choose hardware to make the shoe rack suitable for all weather conditions, and the benches sturdy for seating.
